Booth 37 Alabama Center of Excellence

The Alabama Department of Mental Health Services (A.I.M.H.S.) Center of Excellence is a partnership between the University of Alabama at Birmingham and The Alabama State Department of Mental Health and Retardation. It is our vision at A.I.M.H.S. to provide resources and expertise as a Center of Excellence through the Community Psychiatry Program as a community mental health care provider within UAB's Department of Psychiatry and academic medical center.

A.I.M.H.S. exists to provide resources and materials to Alabama's public mental health service providers while utilizing hands-on, systematic approach to helping providers implement Evidence Based Practices.

A.I.M.H.S. Center of Excellence exists to:

- Introduce and evaluate selected S.A.M.S.H.A. approved EBPs in pilot sites throughout Alabama
- Provide statewide training on EBPs
- Assist the DMH/MR in adopting standards for certification, contracting, and ongoing provision of EBP services
- Develop incentives for statewide adoption
- Publish and present research findings at state, regional, and national levels
